See below - these came from R4. I am checking to see if BP here is doing something similar or if these are intended for both regions.

Alan,

I have asked SESD to review these plans provided they can turn them around quickly. I would ask that you forward to the states as well and solicit comments. I am trying to get comments back by 1700 hrs on Saturday 05/15/10.

Thanks,
Stephen Ball, Jr.
